TRIBUTES

TO OUR DAD

Even though Dad isn't here physically anymore, his legacy lives on in the values he instilled in us. We strive to honor his memory by living a life of integrity, showing love and kindness to others, and finding joy in the simple things. His influence is woven into who we are, and we are forever grateful for the time we shared.

As we reflect on Dad's life, we can't help but feel an overwhelming sense of gratitude. He wasn't just an amazing father, he was an incredible human being. His love, wisdom, and strength continue to guide me, and his memory is a source of comfort and inspiration. Even though he's gone, his spirit lives on in those he touched, and his legacy will always be a part of me.

Dad, we miss you so much. God knows how we want to hug you and tell you the things we never said when you were here. All we can hope is that our message reaches heaven. Your life was a gift, and your memory will forever be a treasure.

Huruka uhoro baba witu

To our beloved Grandpa,

You were the heart of our family — a source of wisdom, strength, and unconditional love. As your grandchildren we feel truly blessed to have shared in your life, your stories, and your laughter.

Grandpa, you taught us values that will guide us forever: kindness, hard work, patience, and the importance of family. Your gentle words, your warm smile, and the way you made each of us feel special will never be forgotten.

To us grandchildren, you were a teacher, a protector, and a friend. you were a living legacy — a reminder of where we come from and the love that binds us across generations.

Though you may no longer be with us, your spirit lives on in each of us — in the lessons you shared, the memories we hold, and the love you gave so freely.

We will carry you in our hearts always.
With love,
Your Grandchildren
